Success*

— PDM Dinner Meeting —

– Kaizen Challenges –

At a Modern Electronics Manufacturing Service (EMS)

Tuesday, May 15, 2007

**Our Speaker: Fred Harriman
(See Bio on page 2)**

Apple does not make it's own computers, nor does Motorola make its own cell phones. They are made by EMS located mainly in China. Does Kaizen and TPS apply to the EMS environment? What are the key Taiwanese and Chinese players doing, and can it be called "kaizen?"

Agenda

- 5:30 Registration
- 6:00 Dinner & Networking
- 7:00 Membership Meeting
- 7:10 Presentation

Location

Hungry Hunter Steakhouse, 450 Bercut Dr, Sacramento. Please call (916) 650-8660, or email Ed Mercado at edmercado@msn.com and provide the attendee's name, company, telephone number, fax or email address. \$23.00 all attendees (includes dinner), \$5.00 for speaker only.

The Supply Chain

<http://www.websitetoolbox.com/tool/mb/jlbyrnes>

This site is a discussion forum for individuals interested in supply chains.

Speaker's Bio: Fred Harriman

As an interpreter for the consultants of the Shingijutsu Co., Ltd. in 1997, Fred was first introduced to Kaizen and the Toyota Production System (aka "Lean Manufacturing") at a hospital furniture manufacturer in Batesville IN. Shingijutsu has been the most successful Japanese consulting firm dedicated to the application of the Toyota Production System, and with them Fred visited companies in a wide range of industries with products such as: office furniture, airplanes and airplane engines, gasoline pumps, electric motors, hospitals, automobiles, construction equipment, serum, electronics, and many others.

After 3 years as an interpreter and special assistant to the CEO of Shingijutsu, Chihiro Nakao, in 2005 Fred began kaizen consulting activities on his own. His experience so far is with temperature switches, cell phones, and flowmeters. Fred is also fluent in Spanish and has recently spent approximately a year as Director of Kaizen at a cell phone plant in Chihuahua, Mexico.

Computer Based CPIM Exams

Computer based CPIM exams are offered by Promissor.

All of the info you will need to register for an APICS exam can be found at <http://www.promissor.com/>

- Select "Professional Certification Exams" under the "Find Test Information" section.
- Select the "APICS..." option.

Read the "Description of New Registration Process (pdf)".

It has all the info you should need including how to get dates, locations, cost, and registration process.

Weber State University On-line APICS Certification Courses

SU Online is the virtual campus for Weber State University, delivering online courses via the World Wide Web. Five courses are offered in partnership with APICS:

- * Basics of Supply Chain Management
- * Master Planning of Resources
- * Detail Scheduling and Planning
- * Execution and Control of Operations
- * Strategic Management of Resources

Exam review courses can be taken collectively for CPIM certification or taken separately to suit the needs of the company or individual. For more information, go to <http://www.wsuonline.weber.edu>. Remember to tell them you're a member of Sacramento APICS! ☀

CIRM Courses Available On-Line

CIRM is a comprehensive educational program designed to help you understand the power of collaboration among organizational resources such as product development, marketing/sales, human resources, finance, and operations. The CIRM program enables you to effectively interact with cross-functional departments for more strategic decision making, enhanced collaboration, and improved productivity

On-line CIRM Courses are available at www.epiweb.net. Be sure to reference Sacramento APICS when registering.

CPIM Courses Available On-Line

CPIM applies to many supply chain tasks and provides the necessary knowledge to thrive in today's global competitive environment-both in terms of reducing costs and increasing customer loyalty.

Since 1973, the CPIM program has educated more than 75,000 manufacturing professionals on essential terminology, concepts, and strategies related to demand management, procurement and supplier planning, material requirements planning, capacity requirements planning, sales and operations planning, master scheduling, performance measurements, supplier relationships, quality control, and continuous improvement.

To register for your next CPIM exam, visit www.asisvcs.com/publications/html/faq_apics.asp or call Promissor Customer Care at 1-800-274-8399 or 610-617-5093.

APICS Sacramento Company Coordinators

Our Company Coordinators serve as the principal communication links between the Sacramento Chapter of APICS and their companies and fellow employees. If you work for one of the companies listed below and need APICS Chapter information of any kind, please feel free to contact them.

If you do not see your company listed below, it is because *you* haven't volunteered. To become a coordinator, call Bill Lodholz (530/666-2493) or email at lodholz@watts.com.

Notable Quotes

Consider how hard it is to change yourself and you'll understand what little chance you have in trying to change others.

-Jacob M. Braude-

Resolve to be a master of change rather than a victim of change.

-Brian Tracy-

Check Out the APICS Career Center Online

Whether you are in the market for a job or just want to keep your options open, you'll want to search the APICS Career Center for available jobs, or to post your resume...the perfect fit could be waiting for you!

http://www.apics.org/CareerCenter/careercenter_gateway.htm

And don't forget that APICS is a great place to network with the employees of the region's leading employers. Not only can you mix, mingle, and network but you also receive valuable professional development information.

A job opportunity can be discovered anywhere, don't miss the chance to find one through your own local network

APICSacramento Job Opportunities Notes

Are you seeking another job or career change? Don't forget to check out the APIC-Sacramento Job Opportunities located at <http://www.apicsacramento.com>. You can also find national job opportunities by checking out the national APICS web site located at <http://www.apics.org>.

There are also many companies, consultants, and career counselors who can assist with items such as: resume writing, cover letters, interviewing skills, negotiating skills, as well as personal goals and objectives. Check out the yellow pages under Career or Vocational for this type of assistance.

Certification Maintenance Notice

If you earned your CPIM before 1999, you must submit a maintenance application by the month of your original certification. Find out more at <http://www.apics.org/Certification/Maintenance/maintenance.asp>. If you would like a handy spreadsheet to calculate your point, go to our web site www.apicsacramento.com and scroll down to 'certification maintenance' and put "certification maintenance" in the subject. Don't delay! Once the deadline passes for you, you must earn additional points to regain your certification status.

APICS Webinars

Get Tangled in Our Web of Education

APICS is pleased to announce the latest development in training and education—APICS Webinars. Each APICS Webinar lasts approximately 60 minutes and features educational discussions, case studies, and a Q&A period. All you need is an Internet connection and telephone to participate. Invite your colleagues to join you. As an added benefit, you will receive a CD-ROM of the presentation after the event.

Upcoming APICS Webinars

View a list of upcoming APICS Webinars topics and dates. Go to <http://apics.webex.com> for quick and easy access to the latest information on future topics, dates, and presenters.

Registration Information

To register for an APICS Webinar, visit and select Enroll.

Archived Events

Were you unable to participate in an APICS Webinar? Each APICS Webinar is archived and available for \$139 per viewing. Visit <http://apics.webex.com> and select Recorded Events on the left navigation bar to view an archived APICS Webinar. The archived APICS Webinar begins at time of purchase.

CPIM and CFPIM designees: Earn one professional development point toward Certification Maintenance by participating in an APICS Webinar.
